SHIPPING AND MATERIAL HANDLING TIPS

It is the responsibility of the exhibiting company to arrange any and all shipments to the CDS advance warehouse or the Venue.

Exhibitors should make certain that all material is properly insured against fire, theft, damage and all hazards while in transit, to and from your booth, and for the duration of the show. While it is understood that Convention Display Service, Inc. will use its best efforts to protect the Exhibitor’s property, it is not responsible for loss, theft or damage.

WEIGHT AND PIECE COUNT

Material handling charges are calculated by total weight of each delivery made to receiving dock via LTL Carriers. Consolidate your shipment whenever possible. Separate shipments received by CDS will not be combined. The appropriate charge applies to each shipment that CDS receives. Shipments arriving at the same time from different carriers are considered separate shipments. Please be aware that FedEx and UPS may split shipments resulting in CDS receiving multiple shipments.

BILLED WEIGHT is based on incoming weight, whether the material handling services by Convention Display Service are used completely or in part. The weight is rounded up to the nearest one hundred pounds (100 lbs.) and is taken from the INBOUND BILL OF LADING and/or the Certified Weight Ticket. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Convention Display Service. These weights will prevail.

THERE IS A 200 lb. MINIMUM CHARGE ON ALL SHIPMENTS OVER 50 lbs.

Shipments received without individual carrier receipts (UPS, FedEx & other small package or specialized carriers) will be delivered to the booth without guarantee of piece count or condition. No liability will be assumed by CDS for such shipments.

A Credit Card Must Be On File If Material Handling Services Are Required.

ALL SHIPMENTS MUST ARRIVE FREIGHT PREPAID. COLLECT SHIPMENTS WILL BE REFUSED.

CDS MATERIAL HANDLING CHARGES DO NOT INCLUDE PAYMENT OF CARRIER CHARGES

Outbound shipments

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the CDS Service Desk. Do not leave outbound Bills of Lading in your booth. Exhibitors who wish to ship outbound materials via any carrier other than the official show carriers (YRC and FedEx Air) must make the outbound arrangements with their carrier. Should your carrier fail to arrive by the designated time or refuses to pick up your shipment for any reason, CDS reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor’s expense.

NOTE: Any items left on the show floor will either be brought back to the CDS warehouse and additional charges will be incurred or re-routed with CDS designated carrier.

MOVE OUT / OUTBOUND SHIPPING:

Outbound shipping is not an automatic process. Please read!

Remove all old shipping and “empty” labels. If you are unable to remove the inbound labels, mark through the old address with a marker or pen. Be certain each piece is labeled with the NEW DESTINATION ADDRESS. If not provided by your Representative, blank shipping labels are available at the CDS Service Desk.

- Each shipment must have a completed Credit Card Authorization Form and Material Handling Agreement in order for CDS to handle the shipping your outbound freight. All pieces must be labeled individually. It is your responsibility to pack up your shipment and attach shipping labels and a Bill of Lading.

- Consistent with trade show industry practices, there may be a lapse of time between your departure time and the actual pick up of your materials. During this time, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials. If you prefer, you may leave your packed materials in your booth unattended, with the understanding that CDS, GSHE or the Mobile Convention Center will not be responsible for any lost or stolen materials.

- If you have multiple items to be shipped, group the portions together so a stray piece will not be overlooked.

- After your materials are packed, labeled and ready to be shipped, return the completed Bill of Lading, Material Handling Agreement along with the Credit Card Authorization to the CDS Service Desk. Do not leave outbound Bills of Lading in your booth.

- Exhibitors who wish to ship outbound materials via any carrier other than the official show carriers MUST call them to arrange on-site pick up. Be advised that most carriers will not come the day they are called. Plan ahead!

- Any shipments left on the show floor, REGARDLESS OF CARRIER, must have a completed Bill of Lading that is turned in to CDS.

- Shipments without paperwork turned in to CDS will be returned to the CDS Warehouse or forced onto another carrier at Exhibitor’s expense.

- All pallets, crates & like materials must ship from show site on Friday, January 22, 2021.
